Dear parent/guardian

I hope you find this letter in the best of health and imaan.  
Alhamdulillah the time has come again! As you may know Lanterns trip are always a great success!

You may have read all the information on the poster; we will provide all the extra that you require. Within the price travel insurance, tickets to museums, local travel in Dublin, accommodation and flight are included.

Please be reassured all students will be well cared for. We are planning to accommodate just 6 students along with 2 staff members, this will ensure we have more than enough staff to child ratio. We will add you to a parents WhatsApp group to keep you updated. 50% deposit must be paid for flight and accommodation, remainder in small payments suitable to you.

We will be travelling to the airport in our minibus and returning upon it too. Kindly fill in the form attached and return.
