# Lantern Academy Exam Policy

At Lantern, students' progress is monitored on a regular basis. In order to monitor the progress exams are carried out. Students are always made aware of exam dates; we **aim** to update parents' to via class WhatsApp groups.

Exams are always marked by class teachers using the mark scheme provided by the exam providers. If tests are published by Lantern, our own mark scheme is used. In addition to the marks schemes teachers may use their knowledge to award marks if they feel students have provided the adequate evidence for question.

Students are always made aware of exam dates, parents may receive messages too, to which we aim to send asap. Students **must** attend the exam date; failure to do so will result in 0% mark. Students **must** sit exams on the day of the exams, exams cannot be resat, please see below.

Students may sit exams on alternate day for special circumstances, these consist of:

- Bereavement of a close family member/friend
- Important medical appointment
- Illness (must have doctors note)

Other reasons for resits will be determined at the discretion of the Head of Education. Please contact the Head to discuss.
